Ministry Reports

“In Mission Together”

Czech Partnership Report

Betty N. Barton, Partnership Team Chair

Since 2006 the Johnson City District has been involved in an “In Mission Together” partnership with the United Methodist Churches of the Czech Republic. But the term “In Mission Together” has taken on new meaning for all involved this year.

In the first four years of our partnership we sent 28 teams consisting of 99 individuals to the Czech Republic to work in mission with our partners. This year, nine additional teams are traveling to the Czech Republic. We have 36 first-time team members this year which increases the total of individuals traveling to the Czech Republic as part of our partnership to 135.

These teams are helping our Czech friends to share the love of Christ with their neighbors through Vacation Bible School, English Camp, Sports Camp, construction projects and continuing education for Czech pastors. Each year we are being asked to send volunteers to new sites and to extend the programs at existing sites. The number of lives touched by our partnership continues to grow.

By the end of this year, 31 of the 66 churches in the Johnson City District will have sent a member of their congregation to the Czech Republic to spread the Good News. These volunteers come from churches of all sizes who send an individual, a few, or an entire team. Together, as the people of the Johnson City District, we are accomplishing so much more than we could individually.

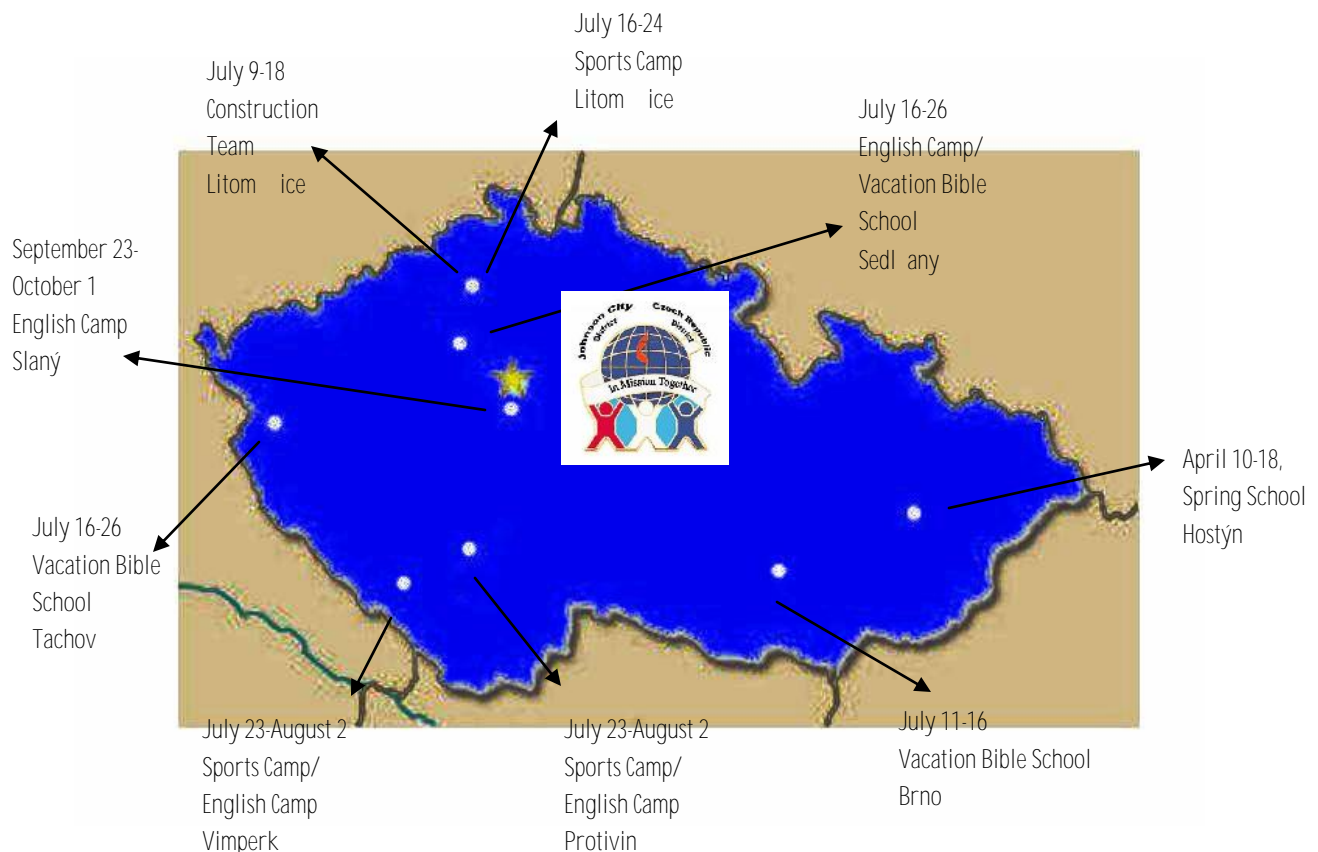

But that’s not all! In June, six members of the Johnson City District traveled to Estonia where they worked alongside a team of volunteers from the Czech Republic at Camp Gideon. This is a true example of being “In Mission Together” working side-by-side with our Czech partners to benefit others.

In addition, five Czech volunteers came to Buffalo Mountain Camp earlier this month to build a shelter around a donated walk-in cooler. These volunteers, worked alongside David Shipley and camp employee Matt Money. They worked so quickly that they not only finished the shelter, but began work on an adjacent deck that will connect the cooler to the camp’s kitchen. Working alongside our Czech partners we can accomplish great things together!

Before my time in Brno helping to lead Vacation Bible School this July, I was privileged to visit several locations that have hosted our mission teams this year and in the past. At each location there was a sense of excitement among our partners about the work being done in their churches. They are so appreciative that our team members take the time to travel great distances to work with them to offer Christ to their community.

What can we accomplish “In Mission Together” in 2011 and beyond? The possibilities are endless!

THANK YOU! JOHNSON CITY DISTRICT

Buffalo Mountain Camp celebrated sixty years of service to the churches and people of the Johnson City and Kingsport Districts. In 1949, the first campers came to the site that was donated by Mr. and Mrs. M.H. Allison on the slopes of Buffalo Mountain. Since that time thousands of lives have been touched with God's love in this beautiful setting.

Laughter and songs mingled with the rush of Ramsey Creek as children and youth filled the camp this summer. Children enjoyed being outdoors in the glory of God's creation. Young people grew in their faith in Christ. Plenty is happening at Buffalo Mountain Camp due to the generous support of our friends. We introduced children to the friendship of God in Jesus and God's call in our lives with the theme "*Here I Am.*" We also helped them understand how God and others love them.

"HERE I AM"

Summer 2010

This summer **599** children and youth attended camp. Of these, **51** made first time commitments and **123** recommitted their faith in some significant way. Summer staff totaled **43** young adults with **5** volunteer staff, and **11** ministers-in-residence.

The Christopher King Climbing Tower is now in service. Generous gifts in memory of Christopher King were given by Limestone Cove UMC, Cherokee UMC, and many friends. Other gifts came from Cherokee UMC and former staff. The tower is now a reality. This summer you could hear children say, "You can do it!" "Keep going!" "Try the one to the left!" and other shouts. This encouragement helped young people climb to greater heights in self-confidence and skill. \$150,000 has been received from Munsey UMC in Johnson City for the new pool. The needed total is \$240,000. We hope to raise the entire amount before the end of 2010. Churches in both districts have given funds and are attempting to raise more for the capital campaign.

Come to the Buffalo Bash on Saturday, August 28th!

Learn more about it at www.buffalomountaincamp.org.

The Coalition For Kids is honored to be celebrating twelve years of ministering to the children and families of our community! During the 2009-2010 school-year we operated SEVEN *Awesome Kids Club After-school Tutoring & Mentoring Program* sites across Johnson City. We were able to touch the lives of more than 400 children!

Our second annual Back2School Health Fair in August 2009 was a tremendous success! Folks from all over the Tri-cities area came out for this completely FREE event! More than 25 different vendors performed over 1250 critical health screenings for 534 people in only 3 hours! WOW!

The 2009 Community-wide Fall Festival was packed with EXCITEMENT! This event is rapidly becoming an annual tradition for families in our community! Folks brought their children out to enjoy an evening of food, fellowship and FUN! The kids had a blast bouncing on the big inflatables, playing carnival games, and—of course—eating *lots* of candy while trunk-or-treating!

Christmas 2009 was an exciting experience! We partnered, once again, with our local Wal-Mart stores to host our third annual Shopping 4 Others Christmas event. On a Friday night a few weeks before Christmas, we took 84 of our Coalition Kids and over 160 community volunteers shopping at the Browns Mill Road and West Market Street Wal-Mart stores in Johnson City. We had such an overwhelming volunteer response that we had nearly 2 volunteers for every child! Each pair was required to purchase a set of clothes, a small toy, and a Christmas gift for another family member. Many of the children had never been able to purchase a gift for a loved one. The excitement on their faces as they selected gifts for mothers, grandmothers, big brothers, or baby sisters was simply indescribable. What better way to honor the gift we have been given in Christ Jesus than by giving our Coalition children the opportunity to become the giver and bless someone they love at Christmastime?!

Our summertime *Community Kids Activity Club* is always a first choice for parents! This year our summer Coalition Kids hit the ground running at the beginning of June for 8 full weeks of exhilarating activities! The kids participated in community service projects, Vacation Bible School, weekly trips to the pool, and field trips to places like the Knoxville Zoo, Bays Mountain Park and Planetarium, the International Storytelling Center and much, much more!

This coming fall promises to be as fast-paced as the summer. We are tremendously excited about our newest satellite program site! Last year, the Coalition For Kids, Inc. is teamed up with Cherokee United Methodist Church to minister directly to the Hispanic children and families living in the Heritage Trailer Park Community in South Johnson City! This year, we are expanding our evening *Kids In Action* Mentoring and Enrichment program to include a second site! Beginning fall 2010, Coalition Kids at our Cherokee UMC and South Side Elementary *Awesome Kids Club* After-school Program sites will have the opportunity to participate in our evening *Kids In Action* program through a new partnership with Munsey Memorial United Methodist Church!!!

Our *Kids In Action* (KIA) program operates each school day from 5:30 p.m. to 8:00 p.m. This is our fun time! Homework is done; book bags have been repacked and tucked away. Each evening begins with prayer and a family-style, hot meal prepared by our Food Service Coordinator. Depending on the day of the week, our KIA kids can be found enjoying any number of a wide variety of activities. We offer dance and piano lessons, art and craft classes, team sports, horseback riding, outdoor play, Bible studies and even the occasional movie night complete with popcorn! We are tremendously excited about the opportunity to serve even more children and families through our second Kids In Action program site in partnership with Munsey Memorial UMC!

First and foremost, the Coalition For Kids is a faith-based, Christian organization. If we never look beyond impacting the lives of these children for a day, a month, or even an entire school-year, we have completely missed our mark. Through Christ and sharing God's plan of salvation we have the opportunity to change lives for *eternity*.

In Exodus 34:10: "The LORD said: "I am making a covenant with you. Before all your people I will do wonders never before done in any nation in all the world. The people you live among will see how awesome is the work that I, the LORD, will do for you" (NIV). God IS doing wonders...right here in our little corner of Appalachia! We invite you to witness the "awesome" work that He is doing in the lives of the children we serve through our programming. Please visit us online at www.coalitionforkids.org or on our Facebook fan page! We can *never* say it enough: THANK YOU for supporting us even in the small things. You allow us to say, "Let the children come,"—even in midst of these challenging economic times.
